Jennifer-

Thanks for catching that. The reports are addressed my supervisor, Ted Buerger, so please list him as CD or access on-line only (he is cc'd on this email). Also, you may have the following members in your list:

Greg Smith: Please remove, no longer here
Kemper McMaster: Please remove, Retired State Supervisor, no longer here
Paul Henson, Current State Supervisor, only to receive high level letters if needed (no reports or data packages, etc.)

Thanks, and let me know if you have questions -Jeremy

Jeremy,

I received your email with regards to receiving documents by CD rather than hardcopy. Per a review of our distribution list we do not show that the LWG provides you with copies of LWG produced documents. Is it possible that you are receiving copies by internal distribution at Fish and Wildlife?

Please let know if I can further assist with this situation.

Thank you,

Jen Woronets ☺

Eric-

Please inform the powers that be at LWG that I do not need hard copies of the reports/documents. A CD will suffice, or just a notice that the report has been released, and I will obtain reports off the portal. Thanks -Jeremy
